

Do you want to learn more about the library and help guide its services? The City of Duluth is seeking applications from City residents interested in joining the Library Board.

**"We want board members who are innovative thinkers, distinctive voices, and most of all, who see the magic of the public library."**

"I've been a lifelong library user. Books brought me in the door, but I stayed involved because of the connections. The library is a resource that is available to all. It is an enduring feature of the community and a gift to future generations."

—Library Board President, Michelle Foshay
