Approval of minutes of the May 28, 2024 meeting

Motion by Ramsland, seconded by Gonzalez, to approve minutes as drafted. Motion passed unanimously.

Reports

Library Manager

- William A. Irvin Passes There was discussion of whether staff members have been seeking out passes for attractions or whether the attractions are reaching out. It has been a mix. There was a suggestion to approach Glensheen and the Duluth Children's Museum.
- **Polaris Upgrade** A major upgrade of the integrated library system software took place on June 4. The system was down for part of the day during the upgrade but is functioning well now.
- Calendar Software and Website Redesign The new software being implemented will make it easier for the public to register for library events and book meeting rooms.
- 2025 Budget Funds added by the former mayor and city council will be part of the base budget. However, the \$200,000 one-time payment from a building sale will not be in the budget for next year. Funding added earlier in 2024 for safety needs must be requested again for 2025. Powers mentioned that securing a pay increase for the library's 13-hour-per-week staff is also a high priority.

<u>Library Staffing Update</u>

• A total of 24 applications were received for the vacant Librarian I position. Interviews are starting the week of July 1.

Library Usage Statistics

• There was discussion around wifi hotspots, which remain very popular and have

long hold lists. Board members inquired about usage statistics for hotspots and attraction passes.

Friends of the Library

• The annual book sale was a big success, raising \$15,300 over four days.

Old Business

Main Library Facility Update

 Carla and Jim participated in an informational webinar for the process and paperwork needed for the \$1.7 million Congressionally Directed Spending request that was submitted last year. The project has changed somewhat from how it was originally envisioned. It's unclear whether the changes are substantial enough to impact whether the funding is awarded.

Advocacy Update

The advocacy team's next focus will be the 2025 budget.

Gifts and donations policy

Motion by Ramsland, seconded by Gonzalez, to approve the policy as updated since last month's meeting. Motion passed unanimously

Staff Survey Results

- The library recently completed its fourth Employee Pulse Survey for staff. The survey has been conducted annually since 2021, in conjunction with other organizational culture work.
- The response rate this year was slightly lower than in years past, but still at 74%. Overall
 employee satisfaction was at 89%, compared with 76% the first year of the survey.
 Overall flight risk is down to 15%, which is roughly the same as the amount of turnover
 experienced pre-pandemic.
- One of the open-ended questions asked on the survey was how the library can improve as an organization. The top three answers were to continue to prioritize safety, add staff, and work on communication.
- The survey no longer will be conducted on an annual basis. This is partly because the library's leadership team and culture team do not feel it's necessary to continue doing it ever year, and also because city administration has decided to end its work with the firm that has been conducting the survey.

Manager's Report to Library Board August 2024

Freedom to Read Law. A bill protecting Minnesotans' freedom to read by prohibiting book bans recently went into effect. Known as the Access to Library Materials and Rights Protection, the new law states that "A public library must not ban, remove, or otherwise restrict access to a book or other material based solely on its viewpoint or the messages, ideas, or opinions it conveys." It also shields library staff from being punished for upholding the law. The new law does not prohibit someone from challenging an item in a library's collection or requesting that it be reconsidered. It requires libraries to have a policy in place to address challenges, and to report any challenges to the state's Commissioner of Education.

Summer Reading Program. Summer Reading 2024 has wrapped up, with solid participation overall and very positive feedback from those who took part in it. In participant surveys, almost 83% of youth reported that they learned something new from what they read or experienced as part of the Summer Reading Program. 80% said they enjoy reading more, and almost 83% said they read more often because of the program. Reading, spinning the prize wheel, and having a chance to win gift cards ranked as the best parts of Summer Reading. Of the adults completing the survey, 89% reported learning something new, 74% said the program encouraged them to read more often, and 80% said they want to use the library more often. Participation in the Summer Reading Program took a big jump last year as compared with 2022. Registrations this year were similar to 2023, but the completion rate was down slightly.

Sustainability Projects. The City of Duluth's sustainability office has helped to fund two projects at the Main Library. One is a staff bike rack for our growing group of bicycle commuters. The rack has been installed in the library's garage for security and protection from the weather. The second project is a worm composting bin. It will divert food scraps from staff lunches and snacks that would otherwise end up in the landfill. It also will provide an opportunity to educate library patrons about vermiculture and produce a source of nutrients for the library's gardens.

2025 Budget. The 2025 budget planning process is continuing. This year, budget presentations are taking place at a City Council retreat at Spirit Mountain on Friday, Sept. 13. Mayor Reinert will present his budget the previous Monday, Sept. 9. Funding for additional safety improvements and the slight increase in the materials budget that were included in the library's 2024 budget are slated to carry into 2025.

Pride Events. Again this year, DPL is planning some special events in conjunction with the Duluth-Superior Pride Festival. Craft programs are taking place next week at the Main Library and the West Duluth Branch. Drag Queen Storytime will be at West Duluth this year, at 10:15 on Friday, Aug. 30. Little Library Go will be at the festival in Bayfront Park on Saturday and in the parade on Sunday.

Staffing Update.

- The Librarian I position in adult services was filled with an internal candidate. This led to a half-time Library Technician position opening up at the Mount Royal Branch. Interviews for this position are taking place Aug. 22 and 23.
- Two 13-hour-per-week positions are currently posted. One is a Library Aide and the other is Delivery Driver. Both positions are based at the Main Library.

Friends of the Library Report August 2024

Friends of the DPL met August 20, 2024

- Bank balance as of July 31, 2024: \$29,983. Motion made, seconded and carried to donate \$25,000 to the DPL.
- Membership as of end of July stand at 213.
- We are in the month that Whole Foods Co-Op is "rounding up at the till" for the Friends; we hope to receive \$4,000+.
- NEMBA, which is now being handled by the Lake Superior Writers, has not contacted the Friends for a donation, so this issue is still on hold.
- There was discussion on next newsletter, which will be mailed in October. It will cover the donation to the DPL, the December book sale at Mt. Royal, "Give to the Max" on November 21. Suggestions offered to Carla on info for her Carla's Corner article in the newsletter.
- Discussion on Sidewalk Days that the DPL had in July, and Friends volunteered.
- All three boards might meet again; everyone thought the previous meeting was very successful. Erin from the Foundation is setting this up.
