SUBJECT: Benefits of Early Diagnosis Event Rescheduled

BY: Laura Selden

Benefits of Early Diagnosis and Latest Research in Alzheimer's Treatment event has been rescheduled to **Thursday, November 7, from 6:00 - 7:30 pm at the Main Library in the Gold Room.**

An early diagnosis of Alzheimer's disease or other dementias provides a range of benefits for the individuals who are diagnosed, as well as their loved ones. Dr. Steve Waring, Ph.D. with Essentia Institute of Rural Health, will explain new developments in Alzheimer's research and treatment, and talk about the benefits of early diagnosis and navigating the healthcare system. Presented in partnership with [Dementia Friendly Duluth](#).
